

YIBELTAL SIMACHEW

Full-Stack Developer

+251923172044

@yibieone@gmail.com

Addis Ababa, Ethiopia

EXPERIENCE

WMCC (Internship)

WMCC

06/2019 - 09/2019 Addis Ababa - Ethiopia

- Developed an Android mobile application during internship at WMCC
- Contributed to designing intuitive user interfaces
- Implemented functionality using Java
- Ensured seamless integration with API
- Created a user-friendly interface for the camera booking system using HTML, CSS, and JavaScript

Flutter and WordPress developer

RCNDC

02/2021 - 06/2021 Addis Ababa - Ethiopia

- Excelled as a Flutter and WordPress developer
- Developed cross-platform applications using Flutter, ensuring seamless user experiences
- Delivered robust functionalities with expertise in Dart and Flutter frameworks
- Created customized and responsive WordPress websites, leveraging skills in theme and plugin development

Front End Developer and QA Tester

Ethiostars

12/2022 - Present Addis Ababa - Ethiopia

- Developed high-performance, cross-platform mobile applications for iOS and Android, utilizing Flutter for smooth, responsive UI and efficient state management.
- Built dynamic, component-based web applications using React.js, with a focus on modern JavaScript, responsive design, and efficient state handling through Redux.
- Implemented back-end services using Node.js, developing RESTful APIs and server-side logic to support mobile and web applications.
- Performed manual and automated testing for web and mobile applications, focusing on bug identification, regression testing, and ensuring product quality before deployment.

EDUCATION

Bachelor of Software Engineering

Debre Markos University

01/2016 - 01/2021 Debre Mark'os, Ethiopia

SUMMARY

An experienced software engineer with 3 years of expertise in software development and 2 years in software testing. I specialize in web development and have hands-on experience with Flutter mobile development, bringing a versatile skill set to deliver high-quality software solutions across various platforms.
